PROFESSIONAL SUMMARY

Computer Science undergraduate with hands-on experience across Software Development, Backend Engineering, Machine Learning, and Data Analytics. Built 15+ end-to-end projects spanning REST APIs, full-stack web applications, predictive ML models, and Generative AI tools using Python, Java, SQL, JavaScript, React, FastAPI, and Flask. Completed technical internships with Microsoft, IBM, SAP, and NASSCOM. Strong foundation in Data Structures & Algorithms, OOP, DBMS, and System Design, with a track record of shipping production-ready, well-documented software.

TECHNICAL SKILLS

Languages: Python, Java, C, C++, JavaScript, SQL

Web & Backend: React.js, Node.js, Express.js, FastAPI, Flask, REST API Design, JWT Authentication, HTML5/CSS3

Databases: MySQL, PostgreSQL, MongoDB, SQLite, Indexing, ACID, Transactions, Database Design

AI / Machine Learning: Supervised Learning, Classification, Regression, Feature Engineering, NLP, Generative AI, Prompt Engineering, LLM APIs (Google Gemini), Scikit-Learn, Pandas, NumPy, XGBoost, SMOTE

Core CS & Tools: Data Structures & Algorithms, OOP, Operating Systems, Computer Networks, System Design, Git/GitHub, Postman, VS Code, Linux, Agile

PROJECTS

GreenPoints — Civic Engagement Platform

React, Node.js, FastAPI, MySQL

- Built a full-stack civic engagement platform with user authentication, activity tracking, and a leaderboard feature.
- Designed scalable REST APIs and implemented JWT-based authentication with role-based access control and concurrency-safe sessions.

Credit Card Fraud Detection System

Python, Scikit-Learn, XGBoost, SMOTE

- Built a fraud detection model on highly imbalanced financial data, applying SMOTE for class balancing and ensemble learning for classification.
- Performed feature engineering and model evaluation, improving detection accuracy over baseline models.

Autonomous Support Agent — AI Ticket Resolution System

Python, Streamlit, LLM APIs, JSON

- Developed an AI-assisted ticket resolution system combining LLM APIs with rule-based response generation, deployed with an interactive Streamlit interface.
- Applied prompt engineering and modular design principles to automate support workflows end-to-end.

SOS Hospital Management System

Python, MySQL, Twilio REST API

- Built a hospital management application with patient record management, appointment scheduling, and real-time SOS alerting via the Twilio REST API.
- Designed a normalized MySQL schema applying core DBMS concepts for efficient query handling.

INTERNSHIP EXPERIENCE

AI & Data Analytics Intern — Codec Technologies

Jun 2026 – Jul 2025

- Built end-to-end ML pipelines in Python including preprocessing, model building, evaluation, and visualization, with production-ready GitHub documentation.

AI/ML Virtual Intern — Microsoft–SAP (AICTE TechSaksham)

Jan 2025 – Feb 2025

- Developed a machine learning pipeline for spam detection; evaluated models using precision, recall, and confusion matrix, and validated dataset integrity with SQL queries.

Generative AI Intern — IBM PBEL (Stipend ₹4,000)

Jul 2025 – Aug 2025

- Built Generative AI applications including an AI-powered caption generator using the Google Gemini API, applying prompt engineering to real-world business use cases.
- Completed a NASSCOM Generative AI program applying LLM development and prompt engineering to automation use cases.

EDUCATION

B.Tech, Computer Science & Information Technology — AKTU (Dronacharya Group of Institutions)

Expected 2027

- CGPA: 8.03/10 | Coursework: Data Structures & Algorithms, DBMS, OOP, Operating Systems, Computer Networks

CERTIFICATIONS & ACHIEVEMENTS

- Certifications: Microsoft–SAP AICTE AI Internship, IBM Generative AI, Oracle SQL Badge, Cisco Introduction to Cybersecurity, Microsoft & Simplilearn Power BI for Beginners.
- Research: Published "Customer Segmentation for Market Analysis using Data Mining" in AIP Conference Proceedings; presented at conference. Solved 55+ DSA problems on LeetCode.
- Ranked Top 4 of 109 students; Student Coordinator, Quiz-o-Mania; AKTU Zonal Basketball Silver Medalist.
